Update on @LauraLoomer Just got off the phone with her.

Twitter just sent her an email and told her that she didn't violate any Twitter policy's, but that so many people *liberals* had complained about her George Soros Tweets, they've decided to suspend her for 7 days..

Liberal Activist & CNN Analyst Seth Abramson was attacking Laura Loomer about her Soros Tweets last night. It's highly likely that he is the one who has contacts with Twitter & got Laura Suspended. He was trolling her profusely last night, and you can see these on her timeline.

This is a prime example of why our Founding Fathers wanted a Constitutional Republic.

The silencing your seeing of Journalists (Mainly Conservative or Anti Deep State) is a Mob Rules Mentality.

When someone says America is a Democracy, they're an ENEMY of the STATE!

STRENGTH AND HONOR

Indiana State Director

Maverick
@RodStryker

Mad Maxine Waters plans to derail American businesses with regulation & higher taxes.

Don't be complacent, Patriots!

We must NEVER allow communists like Maxine to regain power in our great nation ever again.

Democrats will destroy the MAGA movement, because they HATE America.

Our voting system is so subject to fraud. Let's have a standard national policy. No foreigners, no dead people, no bussed in people, one person one vote, and count all military and absentee votes

Sad comment on our culture. Stopped watching SNL years ago-just not as funny as the crew in the 70's & 80's. She also doesn't understand Right to Life March being a voice for the fetus. @opsiens @dewberquist @RobManess @SHutchOL @StephanScruggs @marcorubio @codeofvets @BlazeTV

Roger Stones wife is deaf... They felt the need to go into a full blown SWAT Arrest with FBI agents over a guy who isn't a flight risk, a threat, and who has cooperated this entire time.

The DOJ is out of control, and this is sickening. It's time to Start Over with the DOJ.

Replying to @RealMattCouch

They still haven't figured it out. When agencies like the FBI and CIA get press it's usually cuz they screwed up. Then some idiot with a badge gets the case of the clevers and thinks this would be good PR to go in heavy after dropping a dime to CNN. Truly Unbelievable

It's not clever PR to go in and terrorize an old guy and his deaf wife. This isn't Venezuela. The optics ate very very bad here. This will haunt Mueller. That fucker is out of control.
